Hi Jan,

We are on hold for the soil sampling. I'll check in with Steve to confirm, but my guess is that we are on hold till next spring. We'll see how the plans for Silverton evolve.

Thanks,

Joyel

Hi, Joyel.

I assume we are on hold for the Animas River Soils project but wanted to confirm that the deadline for the project plan and SAP/QAPP has been extended. Please let me know either way.

Jan
